

Entering the God-House

וְאֲנִי בְּרַב חֶסֶדְךָ אֶבְּוֹא בֵּיתְךָ

Va'aní, b'rov chasd'cha a vo vetecha

And I, by your abundant grace, enter your house. (Psalm 5:8)

As I come into the fullness of my own presence, I am rewarded by the generous grace of the Divine. By that grace, that loving-kindness, I am given entrance to the God-House, which is Unity consciousness. Entering the God-house means receiving the truth of Oneness.
