

Almost Divine

וְתַחֲסֶרְהוּ מֵעַט מֵאֱלֹהִים וְכָבוֹד וְהַדָּר תַּעֲטֶרְהוּ

Va't'chas'ray'hu m'at may'elohim, v'chavod v'hadart'atray'hu

You have made us almost Divine,
and crowned us with glory and splendor. (Psalm 8:6)

When we look into the Heavens, at the great expanse of stars, we might feel so very small and insignificant, and yet... God has hidden within us a Divine spark, that connects us with the infinite. That spark can serve as a kind of homing device, showing us the way back to the truth of our limitless soul.
