

Strength and Peace

יְהוָה עֲזָרָה לְעַמּוֹ יִתֵּן יְהוָה יְבָרֵךְ אֶת־עַמּוֹ בְּשָׁלוֹם

Adonay Oz l'amo yitayn, Adonay y'varech et-amo v'shalom. (Psalm 29:11)

May God give us strength and the blessing of Peace.

Oh God, your voice thunders in great beauty, shattering all our plans and conceptions, leaving us vulnerable, defenseless yet filled with awe at the majesty of Your great power that reverberates through all Creation. We attune ourselves to this Divine vibration, opening to a nascent strength that emerges through our faith. In knowing that strength, we open to the blessing of peace, the blessing of wholeness, which is found in experiencing our interconnectedness with all of Creation.
