

The Divine Ascent

עָלָה אֱלֹהִים בְּתִרְעָה יִהְיֶה בְּקוֹל שׁוֹפָר

Alah Elohim bi'truah, Yah B'kol shofar

God ascends with a blast;

God (appears) with the sound of the shofar. (Psalm 47:6)

The Shofar is an instrument of awakening. With the blast of the shofar, the Divine spark in us is set free, and rises into flame. Through our awakening, God is made manifest. Self-Realization becomes God-Realization.
