

Glorify

זַמְרוּ כְבוֹד-שְׁמוֹ שִׁימוּ כְבוֹד תְּהִלָּתוֹ

Zamru ch'vod sh'mo, Simu chavod t'hilato

Sing to glorify His/Her essence

Give dignity to His/Her praise. (Psalm 66:2)

We lift up the essence of Divinity through chanting Her sacred names. And we honor that essence with our expressions of awe and wonder. I call it “living in the WOW.” This is a practice of making a commitment to always keep part of our attention on the miraculous, amazing and mysterious aspects of existence—remembering the infinite, even as we play in the finite realms.
