

# Heart Exaltation

וְיִתְהַלְּלוּ כָּל-יִשְׂרָאֵל לֵב

*V'yi'thal'lu kol-yishray-layv*

And all the upright in heart shall exult. (Psalms 64:11)

When our hearts are open, clear, resilient and courageous... then we become channels for praise. When our hearts are uplifted and we are standing in our integrity... then by our very presence, we uplift everyone and inspire them towards their glory.
